### Engineered to Exceed Your Demands...

We redesigned the contours of our Gooseneck to perform in a greater number of unanticipated circumstances... and made it *Standard on All Models*.

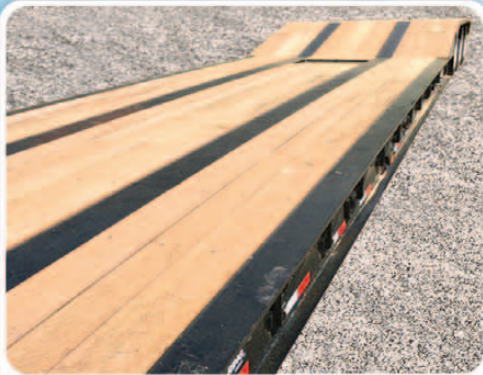

**Lowest Loading Angle Available!**  
Our tapered front beam gives you a 3 degree load angle.

# Optional Features Available on

# **PAVER** LOWBOY/PT SERIES

Extra Deck Length

Lift 2nd and 3rd Axles

Wood Filled Rear Riser and Trunnion Area

Spring Loaded Front Flip Ramps

Roller Stop

Oversize Load Sign

Complete Set Up for Future Axle

# Standard Features On All Paver Lowboys...

Designed to rotate 360° for safer tying down of equipment. The ring always offers maximum strength and security no matter which direction the force is applied. There is less wear on chains, binders and equipment.

**ALL WHEEL ABS**  
(Anti-Lock Brakes)  
With Spring Brakes on all axles.

**WIRING HARNESS**  
100% Sealed Wiring Harness.  
USA Harness "PLUS"  
(positive lock under seal).

**LOW PROFILE REAR RISER**  
4' riser gives you a 16 degree load angle to trunnion a real deal for loading rollers and small pavers.

**OUTRIGGERS**  
Outriggers are made of cast steel instead of cast iron making the deck extension stronger and safer.

**APITONG DECK**  
Apitong deck is a rugged hardwood that wears better over time. Lighter than other decking materials to reduce overall weight.

**"NAME BRAND TIRES"**  
Full Warranty and  
National Distributor Support

**CUSH AIR RIDE**  
The most superior air ride on the market today.  
• Override chains standard equipment.  
• "Cush Align" 1" axle adjustment per side. Patent pending.

**HUB PILOTED WHEELS**  
Outboard brake drums for easier maintenance.

**TAPERED BEAM DESIGN**  
Offers a 3 degree load angle, the lowest in the industry.  
Ideal for loading machines with low ground clearance like Pavers and Milling Machines.

**LIFT AXLE**  
Quick and easy to operate.  
Reduces turning radius & tire wear.

**HYDRAULIC HAULING PIN**  
Stronger than air locking pins less maintenance cost and will not freeze in cold weather.
