

INSTRUCTIONS FOR REPLACEMENT VIN TAG
NY STATE ONLY

In NY State replacement VIN plates are issued by the NY State DMV. It is illegal for Eager Beaver Trailers to issue a replacement VIN Plate for NY titled trailers.

To obtain a replacement VIN Plate, obtain a form MV 272.1 from your local DMV office and follow instructions provided with the form.

Form MV272.1 cannot be downloaded from the DMV Web site. It is a carbon copy form and MUST be picked up in person from your local or county DMV.

Do NOT obtain a form MV 272 as this form is applicable to homemade trailers.

Again, obtain a form MV 272.1
If you have any questions, the direct dial telephone number for the NY State DMV office for replacement VIN plates is 518-474-2019.
The alternate telephone number is 518-473-3522.
